I look forward to meeting you too. You guys don't intend to make any sort of statement at the meeting, do you?

Hello, John. Happy new year. This is just a heads-up that on Jan. 14, EPA Regional Administrator Judith Enck will be speaking at a public meeting in Hoosick Falls, NY regarding the "PFOA" drinking water contamination problem in the

village. I will be there too. The meeting is being sponsored by a citizens group called Healthy Hoosick Water. A flyer about the meeting is attached. If you have any questions, pls. let me know.
